User Stories

User

- **View New Additions:**
 - As a couple we want a third party new addition feature to get trustworthy recommendations free from netflix promotion.
- **Choose Genre:**
 - As a couple, we want to be able to find shows that we search for romantic dramas so we can both binge together.
 - As a teen, I want to see all TV shows under a specific genre so I can view all possible choices without learned suggestions hiding certain TV shows.
- **Search:**
 - As a family, we need to find movies rated as family friendly so we can avoid movies that are inappropriate for kids.
 - As a teen I want a simple movie search feature to avoid the clutter of the usual netflix search and find something to watch quickly.
 - As a college student, I want to be able to look for series or movies that star my favorite actors so that I can follow their career.
 - As a single adult, I want to search a list of 2019 action movies on netflix so I can view an easily readable filtered list to choose a movie from
- **Login:**
 - As a user, I want the ability to create an account, to have my personal preferences saved.

Admin

- **Update Database**
 - As an admin, I need to update the movie/show listings to reflect new additions to Netflix.
- **Manage Accounts**
 - As an admin, I want to be able to manage user accounts so that I can purge inactive users.
